

Case 1:05-cv-00054-SJM Document 21-8 Filed 08/31/2006 Page 1 of 1

As you can see from the enclosed office notes, and after reviewing the notes from Dr. Gaines Dr. Wilson, I have limited involvement in Ryan's care. It is my opinion, based on the limited interactions I've had with him, that he appears to be functioning normally. I must add though that I have very limited access to any reports from Psychiatrists and/or Psychologists involved in Ryan's ongoing care through his school.

I hope that this information has been useful. If you have any questions please feel free to call me.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Humphrey", with a long, sweeping horizontal stroke extending to the right.
